

We've got another new product for you!

Today, we're launching Foresters Whole Life - a new participating life insurance product. Keep reading to learn all the news.

Foresters Whole Life is available for sale today. This brand-new product has great, easy-to-sell features:

- Lifetime protection at a level premium - either 20-Pay or Paid-Up at 100
- Up to \$250,000 in face with non-med underwriting
- Medical available above non-med limits
- Paid-up Additions rider coming in 2012

Foresters™ [producer website](#) is loaded with sales material to support your sales of Foresters Whole Life. Just click on the Foresters Whole Life icon on the home page to access:

- Application package
- New illustration software and [mobile quoting tool](#)
- Full-color consumer brochure
- Coverage at a Glance client worksheet
- Producer Guide
- Sample Product Page to be included with the application (which itself is not changing)
- Updated Underwriting Guide
- State Availability Map
- And more

Get a quick start on your sales. To learn more about Foresters Whole Life, sign up for one of our Training Webinars today:
