

Starting this October, please submit your best greenie recruiting idea(s) to Bonnie Hellenbrand (email bonnieh@hbwinc.com). We will be collecting these ideas during October and November. If an idea comes in twice, the first person to submit the idea gets credit for it. Please focus ideas on recruiting unlicensed people (greenies) for the building of base shops.

On or about December 1, we will send all of these ideas out for everyone interested to place a vote for their favorite idea. In the Newsletter for the week of December 20th we will be announcing the winner and sending that person a \$100 American Express gift card.

Brighten up your holiday by winning this contest and help everyone's recruiting future. He/She with the best idea wins as voted on by your peers!
